A new year, a commitment to an insane level of photography.

Something tells me 2012 will be a killer con year. I love photography. It's my art and trade. The feedback from all you folk out there is inspiring. Thank you.

Further Confusion 2012 is done -- now. Busy, busy sorting and picking the piccys. All 6000 of them. x.x

By the way, do you like the wooden engravings? [I make those](#) . Anyhow, may I present [your Further Confusion 2012 Photostream](#)
