It's a new year, and that means the craziest new tech. Welcome to CES 2017.

For 2017, we focus out attention on gaming gear. All the Mechanical keyboards, key switches, mice, and hardcore fragger hardware you can handle. [Check out the live photo stream of CES 2017 here](#)

New this year, out first live video coverage from ground zero, CES show floor. Make sure you are following the YouTube channel to be notified.
