Pittsburgh PA

May we bring peace to the departure of the year of the spinner meme.

Still North America's most diverse convention, Anthrocon 2017 feels at home among the welcoming city of Pittsburgh.

The journey starts in Las Vegas, Nevada, under the electric sky of EDC. Travelling across the American heartland before landing, through all perils, at our main event in the Northeast.

8000km and three unfortunate autos can't keep us from covering [your Anthrocon 2017 photo stream](#)

Thanks for another colourful year. Our most adventurous ever. And see you again in 2018.
